

Med students hit the road with help from ADIUM

ADIUM Student Elective Travel Grants of \$500 have been randomly awarded to 20 Alberta medical students who have had to travel to complete required medical electives between June 1, 2017 and May 31, 2018.

The grant was established to assist medical students in defraying the increasing costs of medical school. To date, \$190,000 has been distributed to medical student members.

For a complete list of prior winners, please visit the AMA website (www.albertadoctors.org/student-elective-grant).

Since 2001, the grant has been sponsored by AMA's wholly owned insurance agency, ADIUM Insurance Services Inc. ADIUM offers a range of competitive group insurance plans for AMA student, resident and physician members on a non-profit, non-commissioned basis, including:

- Disability
