Share your research with colleagues and enhance both the speciality and your resume.

The CAS is happy to offer multiple ways for you to get involved in the Annual Meeting (AM).

One way that you can ramp up your experience at the AM is to submit an abstract (a paper). Doing this allows you to share your research in a variety of ways and might also place you in friendly competition with your colleagues.

Three reasons to submit an abstract:
1. Enhance your resume—accepted abstracts are published online in the Canadian Journal of Anesthesia
2. Share your research
3. Network with colleagues to boost your knowledge, make new connections, and strengthen existing ones
