

### Publication Fees Assistance Program

Assistance for publication fees, up to six awards each year, for a total of up to \$3,000.00 annually.

This benefit will be granted once a year for up to six different voting and non-voting members in good standing per calendar year. A member can only apply for one grant per year (and special consideration will be given each year to those who have not received this award previously). All applications will be considered and preference will be given to:

- Major clinical physicians
- Early career physicians (seven or less years in practice)

### Applications

Applications will be received once a year in July (July 1-31) after a communication is sent to the members via email with instructions for the application process. Members can apply for publication fees incurred from June 1 from the previous year up to June 30 of the current year. Applications will be reviewed by the Applications Review Committee composed by:

- AMA ID President
- AMA ID Secretary-Treasurer
- One AMA ID section member representative from Infectious Diseases Section of the University of Alberta (U of A)
- One AMA ID section member representative from Infectious Diseases Section of the University of Calgary (U of C).

### Review Process

The review process will be based on equity and inclusivity principles:

- Blinded to the reviewers.
- Score system based on quality of the publication, ID scope of work, innovation, or applicability.
