Edmonton AB

A family physician is needed to replace a soon to retire family physician in 2025. This well-established longitudinal care teaching clinic of 9 family doctors is located in south Edmonton and is affiliated with the Edmonton Southside PCN, providing us with in-house RN's, Behavioral Health Consultants and a panel manager. We also have access to dietitians, exercise specialists, social workers and psychiatrists.

You will be able to take over a panel of 900+ well managed patients and have room to grow your practice, while making a steady income from the start. The overhead is a cost sharing formula which is fair to all. A first-year option of 70/30 split is available. New graduates and physicians wishing to relocate are welcome.

We use cloud-based Accuro software. We are a self-managed clinic with a fulltime office manager on site. We have 2 minor surgical suites for various procedures available, such as endometrial biopsy, IUD insertion, skin biopsies, vasectomies etc. Our building has underground parking – a necessity in winter.
