

Professional Corporation Designation Form

Representatives from the Alberta Medical Association (AMA) and our tax advisors, PricewaterhouseCoopers, met with members of Canada Revenue Agency to discuss the per diems and honoraria paid to various committee members, delegates and Representative Forum members.

Based upon these discussions, it has been determined that, with the exception of payments to board members, payments of per diems and honoraria can be paid to either an individual or a professional corporation, depending upon who is the committee member, representative or delegate. Honoraria for all committees will be paid to the party designated below. Therefore, this form should only be completed if this is your first AMA committee or you are requesting a change from a prior designation.

Physician's name: _____ AMA#: _____

Please confirm the name of the recipient for these specific types of payments by checking the appropriate box below:

Issue cheques to me personally

My Social Insurance Number is _____
(T4As will be issued for all personal income.)
